Section 3. Any person who shall violate any of the provisions of this ordinance shall be fined not more

then \$50.

The above is an ordinance which will was submitted to the common council at its meeting. Monday evening, June 19, coming on a favorable report from the Committee on Ordinance.

The above ordinance is a part of Alderman Lavery's recommendation, but does not har the use of blank cartridges. Vice-President Jerome Orcutt, John A. Standish and Abram A. Hoasland, representing the Remingtor Arms-U. M. C. Co. asked the committee not to adopt an ordinance so severe. Forbidding them to test their explosives would seriously interfere with their business. The committee assured them that nothing of the sort was contempated.—Bridgeport Parmer.

At 10.45 a, m., Tuesday, an alarm was rung in from box No. 4, corner of Church and Water streets, for Jack Maloney's house. The fire had not gotten under headway and was confined to the roof and chimney. It is thought it was due to the chimney being filled with soot. The hose companies hook and ladder and the chemical engine appeared before the alarminal stopped sounding. The men did excellent work and with the aid of the hose and chemical, the flames were extinguished quickly. Very little damage was done, except from the water.
